The image shows a 3D architectural rendering of a studio floor plan. The room is irregularly shaped with a curved top edge. It features a large, light-colored circular rug in the upper half, with a round wooden table and four chairs on it. A green sofa is positioned against the left wall. A bed is placed against the left wall below the sofa. A long, narrow window with a white frame runs along the right wall. The bottom part of the room contains a kitchen area with a sink, stove, and counter, and a bathroom with a toilet and sink. A small potted plant is on the top left corner.

## Studio 40m<sup>2</sup>

Sugestão de decoração 1

The image shows a 3D architectural rendering of a studio floor plan, similar to the first one but with a different layout. It features a dining table with four chairs in the lower right area. A green sofa is positioned against the right wall. A bed is placed against the left wall. A long, narrow window with a white frame runs along the right wall. The bottom part of the room contains a kitchen area with a sink, stove, and counter, and a bathroom with a toilet and sink. A small potted plant is on the top right corner.
